## Message from Peter Moskaliuk, President Hairsine Community

I would like to take this opportunity and thank all of the children and their families that participated in the ball and soccer programs this past summer. I hope that you all had enjoyed yourselves and will return for the next season.

A big thank you goes out to all of the directors and coaches for both programs, for all the work they put in to the sports to make them a huge success!

The Green Shack Program, put on by the City of Edmonton, located at Hairsine and Kirkness parks was well attended this summer. The program was very successful that we are considering having the program run full time at both locations for next summer.

Community League Day on Sept 21, was well attended. I would like to thank all of the volunteers that came out to help prepare and make the day great! Thank you to all of the families that came out in attendance. It was great meeting you!

## 2011/12 Ice Rink Update and Hours

This year, due to repairs on one of the ice rinks, we will only have one rink open for community members to use for skating and/or hockey. Please visit our website [www.hairsine.ca](http://www.hairsine.ca) for the dates and times. Please also note, the rink hours are only effective based on the weather and condition of the rinks.

If you or your family members are interested in using the rink, please ensure you have a community membership and you have received your skate tags. These are mandatory as directed by the City of Edmonton. The rink is free to community league members. If you require a membership and skate tags, please contact Jamie Peeling at [jamiypeeling@shaw.ca](mailto:jamiypeeling@shaw.ca).

The tentative hours are:

Mondays: Closed

Tuesday—Friday: 5:00 pm to 9:00 pm

Saturday & Sunday: 2:00 pm to 9:00 pm

## 2011/12 Survey

We will be having volunteers doing a survey within Hairsine Community. The purpose of this survey is to understand what Community members are interested in seeing and doing through the Community League. As the Executive Committee, we are very interested in coming up with more programs and activities to get everyone more involved. We will have a copy of the survey posted on our website. Please take the time to provide us your feedback, as it really is important to us! [www.hairsine.ca](http://www.hairsine.ca)
